BOOKING POLICY:

We will require a name, telephone number, email address, and valid credit card (on weekends), to reserve a tee time; your credit card will not be charged at the time of booking. You may choose any conventional form of payment at the time of physically checking in at the golf course. The price of the reservation is determined by the time and day of the tee time. Please note; groups less than 4 could be paired with another group when possible.

Cancellation/Change in Tee Time Policy: We understand that situations arise in which you must cancel or alter your tee time. It is therefore requested that if you must cancel your tee time you do so by noon the day prior. This will enable us to allow another group to be scheduled for that tee time. With cancellations made after noon the day prior, we are less likely to be able to offer that slot to other players wanting to play. Tee times which are cancelled after noon the day prior, will be subject to a \$25.00 per player cancellation fee. The individual making the reservation, whether it is for 1, 2, 3 or 4 players will be responsible for all cancellation fees, or any portion of the fee, if the time is cancelled after noon the day prior. Cancellation fees can be charged to the credit card provided for your reservation.

No-Show Policy: Guests who do not show up for their tee time without a call to cancel will be considered as a NO-SHOW. Pass Holders who No-Show will be subject to being charged the full rate for the tee time scheduled. The individual making the reservation, whether it is for 1, 2, 3 or 4 players will be responsible for all no-show fees, or any portion of the fee, if players are missing from the group. No-show fees will be charged to the credit card provided for your reservation.
