### Descriptions of Events

**Blind Partner:** Play a normal round of golf counting your strokes and hand in your signed score card to the pro shop when you are finished playing. Everyone who plays will be paired with unknown partners that will be disclosed after the event

**Beat the Pro:** Your net score against the Pro's score!!

**Hangin with the Boys:** 2 Wo- men teams scoring is exactly like the men's league play.

**POKER HAND:** Using gross hole scores, take your 5 lowest scores to create your best low scores poker hand. Pick one hand from the following list of poker hands: ace high straight (1, 2, 3, 4, 5), 5 of a kind, 4 of a kind, 3 of a kind & a pair, straight

**Hate 'em:** Before teeing off, circle the 3 holes on your scorecard that you hate the most. Record your actual score on each circled hole (for official handicap/league score), but when totaling your score for this week's game, award yourself a "par" on each hole you circled before teeing off – low total score WINS!!

**Scramble:** Pro Shop Pairings, Appetizers and Drinks after the Round!!

**Drive 4 show, Putt 4 dough:** 1 pt for drive in the fairway or green in regulation – 1 pt for a 2 putt, -1 for a 3or higher putt, 2pts for a 1 putt & 3 pts for a NO Putts.

**Hi LO:** Be sure to mark your putts clearly on the card

**3-3-3 Combo:** First 3 holes are best ball, next 3 holes are scramble and the last 3 holes are alternate shot

**Mystery Holes:** There are 3 "mystery holes" that will be an automatic Par

**End of Year Banquet:** in the banquet room at Tanners Brook. We will have dinner, an overview of the season and presentation of league prizes & awards.

**3 Putts and You're OUT!:** This game is played just like the "Lowest Putt" with the exception that anyone that 3-putts on any hole during the round will drop out of the game. This will encourage people to take their putting seriously and try not to 3-putt. The players left standing are the ones that maintain less than 3 putts on every hole. From that pool of players, the winner will be the one with the lowest number of putts.
